**PETITIONING THE COURT**

To modify the conditions of supervision as follows:

- 10 You shall reside in a community corrections center for a period of up to 180 days. This placement may include a pre-release component, day reporting, and home confinement (with or without electronic monitoring, but not to include GPS) at the directions of the CCM and USPO. You shall abide by the rules and requirements of that facility. You shall remain at the facility until discharged by the Court.

**CAUSE**

Mr. Blume is currently serving the remainder of his 57 month sentence. Mr. Blume is due to be released from prison on August 24, 2005. Prior to Mr. Blume's release he submitted two release plans to the probation office, both of which have been denied, based upon the addresses being invalid.

Mr. Blume did not participate in the community corrections placement which, for most inmates, is useful in preparing for transition back into the community. If Mr. Blume were placed into a community corrections center as part of his supervised release this would provide him with opportunities to find employment and housing. Additionally, this placement would allow him to engage in treatment and monitoring activities which are important for succeeding on supervised release.

Mr. Blume has agreed to a 180-day community corrections placement as indicated on the attached waiver signed August 2, 2005.

Respectfully submitted,  
by   
Missy K. Kolbe  
U.S. Probation Officer  
Date: August 8, 2005
